Notice Something Different?

We have Changed!

The Helendale CSD has changed to a **new** billing software program. We have also been able to offer additional services with this transition. You can now pay your bill with a credit card either by calling the office or coming in and we will be happy to process the payment for you. By August you will be able to pay on-line with your credit card. (There is a convenience fee of \$2.50)

You will notice a different look to your bill. We have added a graph to help you track your water usage. All the information you are accustomed to seeing on your bill is still there.

In addition we have extended the “Past Due Balance” date for everyone by up to five days. **There will no longer be any payment extensions.** Your bill is **due upon receipt** and late if not paid by the last working day of each month.

Please be patient with us as we work through this new program.

**Now Accepting
Mastercard and Visa
payments**

We have added a graph to help you track your water usage!

Snake Season - Be Cautious!

This is the time of year that reptiles are most active. Please be watchful around your shrubs and plants. Do not reach inside your meter box or irrigation valve boxes without first checking out the dark corners. CSD maintenance workers have also found several scorpions and black widow spiders in the meter boxes.

CHECK YOUR SPRINKLER TIMERS REGULARLY

Summer watering times (April - October)
Before 6:00 am, After 9:00 pm.
It is better to water a couple of times early in the morning for 5 mins. than to water once for 10 mins.
