How the Helendale Thrift Store Supports Parks and Recreation

- ✓ Maintenance of Helendale Community Park
- ✓ Youth Sports and Recreation Programs
- ✓ Local events like Concerts in the Park

The Helendale Thrift Store plays an important role in funding local programs. Money generated from donations and purchases helps support our Parks and Recreation department, including maintenance of Helendale Community Park, youth activities, and events such as Concerts in the Park. The thrift store provides affordable shopping options and promotes reuse to reduce waste. This is a great example of how local resources are used to support the community. Revenue from donations made to the Helendale Thrift Store do not leave town—they help fund programs and facilities that residents use throughout the year. Thank you for supporting the Helendale Thrift Store!
