# YOUR SPONSORSHIP MAKES A DIFFERENCE

Your contribution makes a difference and an impact in our community. We value the opportunity to provide youth sports and events that bring family and friends together. It is through these events that we can provide a venue for the community to spend time together, get to know each other, and meet local business owners.

By supporting and helping fund community events and youth sports in Helendale, businesses and organizations gain exposure, brand awareness and good will. Partnering with the District on any of our events or youth sports activities will help set you apart from competitors while at the same time showing your support for the community!

In this sponsorship brochure, you will find ways to promote your business while becoming an integral part of our youth sports program, Concerts in the Park, and National Night Out. One annual sponsorship gets your business exposure at all of these activities. Thank you for helping us bring these events to programs to our residents and helping cultivate a sense of community.

If you have questions or would like more information please contact the Helendale CSD at 760-951-0006 ext. 230.

# CONCERTS IN THE PARK SERIES

The Helendale Community Services District started our Concerts in the Park series in 2017. The Board wanted to provide a free family friendly event for the community. The concert series has become one of the District's most popular programs drawing hundreds of concertgoers each month.

During the concerts, we have food trucks, a car show, games, and other activities to bring the community together. The last concert of the year features a fireworks show, with near capacity attendance.

Your sponsorship helps us provide all of this at no cost to residents and gives your business the opportunity to support a very popular community program.

Thank you for your consideration, we look forward to partnering with you!

# HELENDALE NIGHT OUT

The purpose of Helendale Night Out is to enhance relationships between residents and law enforcement and first responders while bringing back a true sense of community. It provides a great opportunity to bring safety personnel and neighbors together in a positive way. The event features law enforcement, emergency responders, safety demonstrations, local businesses, community organizations, live music and more.

# YOUTH SPORTS

Each year more than 300 boys and girls ages 4 - 17 participate in our youth sports leagues that include basketball, flag football, soccer and youth volleyball.

Sponsoring local youth sports is a great way to show your support for kids in the community. Your sponsorship helps give everyone an opportunity to play by keeping registration fees low. It's also a great way for you to promote your business while benefitting the kids in our community.
