AUGUST 8 – THE AVIATORS

Helendale Community Park 15425 Wild Rd, Helendale 6:00 – 9:00 PM

Get ready for a fun summer evening with **Aviator**, bringing an upbeat mix of **classic rock favorites from the 70s, 80s, and 90s**. Expect familiar songs, great energy, and plenty of music to sing along and dance to. Bring your lawn chairs, blankets, family, and friends, and enjoy a night of live music, food trucks, and community fun at Helendale Community Park.

Helendale CSD remains committed to providing a safe, welcoming, and family-friendly environment for all Concerts in the Park attendees. As part of our ongoing efforts, concerts will include an increased public safety presence. Deputies from the San Bernardino County Sheriff's Department will be onsite at all future concert events. We are also making additional operational improvements related to lighting and event layout.

Concerts in the Park series are an important community tradition, and we appreciate the continued support, feedback, and cooperation from our residents.

Our Concerts in the Park series is made possible through the generous support of our sponsors. We sincerely thank Barstow Community Hospital, Supervisor Paul Cook's Office, Silver Lakes Association, Lakeside Heating and Air, Red Rocket Plumbing, UIA, Yeghoian Grading and Paving, CalPortland Cement, Mitsubishi Cement, Rio Tinto, JDR, Silver Lakes Maintenance, Burrtec, AAA, Handy Hutch, Modern Edge Wealth, Silver Lakes Market, Nobel Systems, and Jumonville Construction for helping make these events possible.

2025 Consumer Confidence Report

Helendale CSD's 2025 Consumer Confidence Report (CCR) is available at www.helendalecsd.org/2025ccr-pdf. This report contains important information about your drinking water, including statistics from hundreds of water quality tests performed throughout the year. The CCR is intended to inform and assure citizens that their drinking water is of the highest quality and meets all State and Federal water quality standards. Our staff takes great pride in providing safe water to our customers. If you would like a printed copy of the report or if you have any questions or concerns regarding your drinking water, please contact Water Operations Manager, Craig Carlson at 760-951-0006.
